## ENERGY SCHOLARSHIPS AVAILABLE

Applications are now open for the Eastern Bay Energy Trust's 2005 scholarships. The Trustees have recognised a serious lack of young people in the electricity supply industry, and are committed to supporting the training and development of new entrants into this exciting and diverse industry, through the Trust's scholarship programme. Residents in the Whakatane, Opotiki and Kawerau Districts, and Kaingaroa Village, can apply for scholarships for electricity industry pre-trade, diploma and degree education in the energy sector. Run in conjunction with ESITO (Electricity Supply Industry Training Organisation) the scholarships offer financial assistance and mentoring. Application packs are available from the Trust office at 21 McAlister Street, Whakatane, and applications close on Friday 17 December.
